This homemade DVD is made on a Region 1 DVD-R Disc. Please make certain your DVD player can play Region 1 DVD-Rs. Audio and video quality on homemade DVD-Rs will also vary from DVD player to player. These vids were originally created on VCRs and transferred to DVD. Recognizable characters in these videos and the background music are the property of their respective owners. No copyright infringement is intended by the vidders, who receive no monetary benefit from their work. The works expressed in the videos are original, however, and are part of an ongoing analysis and commentary on popular culture and how it is absorbed into our visual history and musical traditions.

**Contains 16 Vids (Blake's 7)
Both Slash (Adult) & Gen
Total Running Time: 50 min**
